

Village of Marblehead Policies & Procedures for Leaf Collection

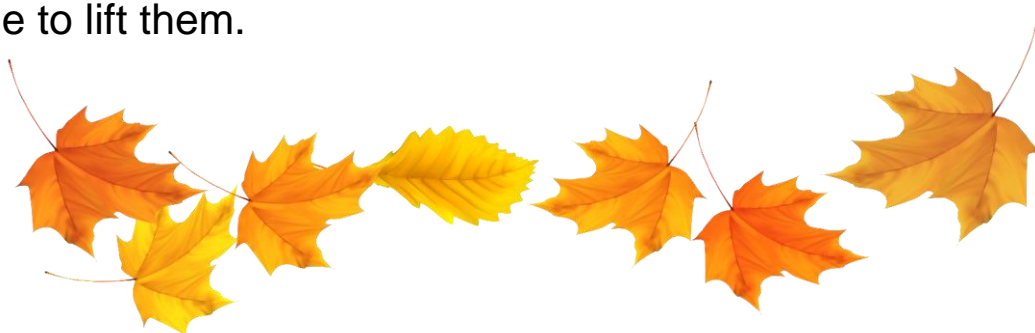

The Village offers curbside pickup of leaves during specific time periods in the fall and early spring when most residents are doing their leaf raking, which is:

- ◆ October 15 - December 15 (every weekday as needed)
- ◆ April 1 - 30 (on Mondays and Fridays).

Accordingly, free leaf bags are available for village residents to pick up at the Town Hall for these periods.

NOTE: The following rules must be observed:

- ✓ Leaves must be in biodegradable bags. No plastic bags.
- ✓ Yard waste bags must contain only leaves. No dirt, rocks, tree/shrub trimmings or branches, nuts, mulch, flowerpots, etc.
- ✓ Please do not overload the bags, as our workers need to be able to lift them.

Property owners may also take their yard waste to Danbury Township's brush drop off site located at 310 S. Bridge Road (SR 269) across the street from the Police Station behind the dog park. Check the Township's website for dates, times, and restrictions.
